**Flying Solo: Tips for Children Traveling Alone**

Every airline has slightly different policies on how they accommodate unaccompanied children. If your child is traveling alone this summer take special note of their policies for escorting children at connection airports and accommodations in the event that the flight is delayed or diverted. Note that some airlines policies do not include providing overnight accommodations and the airline may turn over your child to local authorities if the flight is delayed overnight. For general information regarding airline policies go to: <http://moms.popsugar.com/Flying-Solo-Tips-Children-Traveling-Alone-27331080>

For particular help, you may call Assistance Ministry at (213) 637-7650 or Helene Hickey at 310-821-6612.
