FROM OUR PASTOR

Pastor's Corner

As I do each year, I like to provide our parishioners with a summary of the financial results for the Church and the School for the fiscal year that ended on June 30th.

CHURCH - This year the Church earned a Net Income of \$162.66. This means that our Income was just about the same as our Expenses. Last year we had a Net Income of over \$47,000.00 but that was because we had an increase in our Collections of 7.8% as compared to the previous year. However, for the year ended on June 30, 2016, our Collections did not increase, but remained relatively flat. On the other side of the coin, our expenses did increase, and will continue to increase each year. In addition to the donations that you made each Sunday, St. Mark Church also raised an additional \$32,152.00 in Second Collections that helped the missionaries, the retired priests and religious sisters, and other worthwhile causes. During Lent our parishioners donated over \$7,000.00 to Operation Rice Bowl for Catholic Relief Services, and our Peace and Justice Fund donated over \$16,000.00 to organizations like the St. Joseph Center and the St. Vincent de Paul Society. Again, it is through your generosity that we are able to reach out to our less-fortunate brothers and sisters! This year it will be necessary for our Collections to increase in order to meet our parish expenses. So, if you are not using offering envelopes, we encourage you to do so, as we respond to our call to share our Time, our Talent, and our Treasure!

SCHOOL - This year the School earned a Net Income of \$547.00. Again, this means that our Income was just about the same as our Expenses. We are blessed to have a Catholic School here at Saint Mark, and our Principal, teachers, and administrative staff have responded to Christ's call to proclaim the Gospel message from generation to generation. We are blessed to have a School Mass each Friday, and I enjoy being in the classrooms each Wednesday teaching the children about our faith and answering their questions.

In this week's bulletin you will find a one-page financial summary for both the Church and the School. As you can see, there is a lot involved in operating a church and a school. But God has called us to share the Gospel message here in Venice, and throughout our world!

Again, thank you for your generosity and support of Saint Mark Church and School. We are the Church - we are the Body of Christ!

May the Lord continue to bless us always and in all ways,

Father Paul

La Esquina del Párroco

Como cada año, quiero ofrecer a nuestros feligreses un resumen de los resultados financieros de la iglesia y la escuela por el año fiscal que terminó el 30 de junio.

IGLESIA - este año la Iglesia obtuvo un ingreso neto de \$162,66. Esto significa que nuestros ingresos fueron casi lo mismo que nuestros gastos. El año pasado tuvimos un ingreso neto de más de \$47.000,00 pero eso fue porque tuvimos incremento de 7.8% en nuestras colectas en comparación con el año anterior. Sin embargo, para el año que terminó el 30 de junio de 2016, nuestras colectas no aumentaron, pero siguieron siendo relativamente planas. En el otro lado de la moneda, nuestros gastos aumentaron y seguirán aumentando cada año. Además de las donaciones de cada domingo, San Marcos recaudo \$32.152,00 adicionales en segundas colectas que ayudaron a los misioneros, sacerdotes y religiosas jubilados y otras causas. Durante la Cuaresma nuestros feligreses donaron mas de \$7.000,00 a la Operación Plato de Arroz para Catholic Relief Services, y nuestro fondo de Paz and Justicia hizo una donación de más de \$16.000,00 a organizaciones como el Centro de San José y la Sociedad de San Vicente de Paul. Una vez más, es gracias a su generosidad que somos capaces de llegar a nuestros hermanos menos afortunados. Este año será necesario aumentar nuestras colectas para satisfacer los gastos de nuestra parroquia. Por lo tanto, si no está utilizando sobres de ofrenda, los animamos a hacerlo, al responder a nuestro llamado a compartir nuestro tiempo, nuestro talento y nuestro tesoro.

ESCUELA - este año la escuela obtuvo un ingreso neto de \$547,00. Otra vez, esto significa que nuestros ingresos son casi lo mismo que nuestros gastos. Estamos bendecidos por tener una escuela católica en San Marcos, y nuestra Directora, profesores y personal administrativo han respondido al llamado de Cristo para proclamar el mensaje del Evangelio de generación en generación. Somos bendecidos por tener todos los viernes una Misa para la escuela y yo disfruto estar en las aulas cada miércoles enseñándole a los niños sobre nuestra fe y respondiendo a sus preguntas.

En el boletín de esta semana se encuentra un resumen financiero de la iglesia y de la escuela. Como se puede ver, hay mucho en el funcionamiento de una iglesia y escuela. Pero Dios nos ha llamado a compartir el mensaje del Evangelio aquí en Venice y en nuestro mundo.

Una vez más, gracias por su generosidad y apoyo a la iglesia y a la escuela de San Marcos. Somos la iglesia: Somos el cuerpo de Cristo.

Que el Señor nos siga bendiciendo siempre y en todo,

Padre Paul

UNDIE SUNDAY

Next weekend August 6-7, Saint Mark Church is joining together with our neighbors "Safe Place for Youth" in a sock and underwear drive. Our generous donations will not only fill a material need but will give these young adults a sense of hope and the knowledge that people and God care about and love them. Donations will be accepted in baskets in the vestibule of the church throughout the weekend.

SAFE GUARD THE CHILDREN

Underage alcohol use could lead to larger problems

The negative consequences of underage drinking are more widespread and serious than previously know. Research shows that alcohol can change the way the brain works and could lead to long-term consequences. Many more dangers of underage drinking are immediate, including alcohol poisoning, physical assault and poor decision making. You can help protect your children from the risks associated with drinking by maintaining open communication, and by expressing a clear, consistent message that underage drinking is unacceptable. For more information visit www.stopalcoholabuse.gov or to request a copy of the VIRTUS® article “Alcohol Abuse – The Statistics and the Risks for Children,” email jvienna@la-archdiocese.org or call (213) 637-7227.

For particular help you may call Suzanne Healy, director of Assistance Ministry at (213) 637-7650 or Helene Hickey at 310-821-6612.

PROTEGIENDO A LOS NINOS

El consumo de alcohol de menores de edad resulta en peores problemas

Las consecuencias negativas del consumo de alcohol por menores de edad son más extensos y serios de lo que se pueda saber. Estudios muestran que el alcohol puede cambiar la forma en que el cerebro funciona y puede dar lugar a consecuencias de largo plazo. Muchos más daños del consumo de alcohol por menores de edad son inmediatos, incluyendo envenenamiento por alcohol, asalto físico y malas decisiones. Usted puede proteger a sus hijos de los riesgos asociados con tomar manteniendo una comunicación abierta, y expresando un mensaje claro y consistente de que el consumo de alcohol en menores de edad es inaceptable. Para más información, visita a www.stopalcoholabuse.gov o para solicitar una copia del artículo de VIRTUS® “Alcohol Abuse – The Statistics and the Risks for Children,” (Abuso de alcohol, estadísticas y riesgos para los niños), envíe un correo electrónico a bmendez@la-archdiocese.org o llame al (213) 637-7508.

SPIRITUAL LIFE

TREASURES FROM OUR TRADITION

Sometimes the treasures of art can provide us with clues about traditions. Take, for example, the miter, the conical hat with lappets, or back-flaps that fall to the shoulders. This cap is worn by bishops in the Catholic West. Eastern Catholics favor a crown, but we have this curious headpiece. In Greek, the word means “turban.” Old paintings and mosaics provide clues about headgear for bishops, and there is very little artistic evidence for the miter before the year 1000. Before then, some kind of head covering might have been worn to offset the damp and chill of unheated churches. The pope, as far back as the seventh century, often wore a cap called a camelaucum. Around that time, artists painting St. Peter began to portray their subject wearing this hat. By the year 1000 or so, the pope began to grant similar helmet-shaped headgear as gifts to visiting abbots and bishops. They returned home with these new chapeaus, and before long everybody wanted one!

Today, miters are granted not only to bishops, but to certain favored abbots and occasionally abbesses. Pope Benedict XVI set aside the tradition of the papal tiara in favor of the miter, even on his coat of arms. Pope Paul VI was the last pope to have a coronation. As recently as the 1960s, miters were towering skyscrapers of jewels and rich silks, but now a simplicity of style is favored by bishops. Miters are here to stay, and experienced altar servers know how to await the bishop’s removing of the miter, since he does not wear it when he is saying the presidential prayers or the Eucharistic Prayer.

HITTING IT BIG

It seems to be commonly accepted nowadays that everyone wants to win the lottery, hit the slots big at the casino, or be a millionaire. This attitude is akin to what the first hearers of the parable of the successful farmer would have thought: Why, of course he’d want to find a way to preserve his good fortune for the future, to secure for himself a life of leisure, eating, drinking, and merriment. It’s exactly the kind of life that the right ticket, hand of cards, or quiz show answer might bring us today. Being surrounded by this “common wisdom” makes the words of Qoheleth, the psalmist, Paul, and Jesus all that much harder to hear today. Perhaps good fortune will be ours, perhaps it will not be. But if we make that fortune or the quest for it the heart, the very center, of our lives, then we will live to regret it. We will not achieve the future security we pursue, and we will lose the present moment in the chase.
