FROM OUR PASTOR

Pastor's Corner

Last month, when we celebrated the Sacrament of Confirmation here at St. Mark Church, our teens and young adults were sealed with the Gifts of the Holy Spirit through the blessing with the Chrism Oil on their foreheads. This is a moment of grace that can be traced back to the Pentecost, when the Holy Spirit appeared as tongues of fire upon the heads of the apostles. It was through the power of the Holy Spirit that they were able to proclaim the Good News of Jesus Christ to people throughout the Roman Empire, which, at that time, was the world that they knew. In later years missionaries relied on those same Gifts of the Holy Spirit as they shared the Gospel message throughout our world. And missionaries continue to rely on the Holy Spirit as they proclaim the Kingdom of God in countries near and far.

Pentecost is often referred to as the "birthday of the Church" and it is the time in which we celebrate the Holy Spirit coming into each of our lives. As I have mentioned in numerous homilies, I was ordained on the day before Pentecost in 2001, and each of the new priests celebrated our first Masses the next day. Each of us put on the red vestments and prepared ourselves to call upon the Holy Spirit to change the bread and wine into the Body and Blood of Christ. And we gathered with family members and loved ones who had supported us during our discernment and Seminary formation. My Dad passed away five years before I entered the Seminary, but my Mom was able to be there, along with my brother, two sisters, and my niece. And, of course, many friends who had been part of my spiritual journey, and continue to be important people in my life.

Today, we celebrate the power of the Holy Spirit, the third person of the Holy Trinity. Today we celebrate the Advocate, the Paraclete, the Holy Spirit who guides us on our journey of faith. And, today, we say "Happy Birthday to our church and to our faith community!"

May the Lord continue to bless us always and in all ways,

Father Paul Spellman

La Esquina del Párroco

El mes pasado, cuando celebramos el Sacramento de la Confirmación en la iglesia de San Marcos, nuestros adolescentes y jóvenes adultos fueron sellados con los dones del Espíritu. Santo a través de la bendición con el aceite de Crisma en sus frentes. Este es un momento de Gracia que se remonta al Pentecostés, cuando el Espíritu Santo apareció como lenguas de fuego sobre las cabezas de los apóstoles. Fue a través del poder del Espíritu Santo que pudieron proclamar la buena nueva de Jesucristo a las personas en todo el Imperio Romano, que, en ese momento, era el mundo que conocían. En años posteriores, los misioneros dependían de esos mismos dones del Espíritu Santo al compartir el mensaje del Evangelio en todo el mundo. Y los misioneros continúan confiando en el Espíritu Santo mientras proclaman el Reino de Dios en los países cercanos y lejanos.

A menudo Pentecostés se refiere como el "cumpleaños de la iglesia" y es el tiempo en el que celebramos el Espíritu Santo que entra en cada una de nuestras vidas. Como he mencionado en numerosas homilias, fui ordenado el día antes de Pentecostés en el 2001, y cada uno de los nuevos sacerdotes celebraba su primera misa al día siguiente. Cada uno de nosotros nos ponemos las vestiduras rojas y nos preparamos para pedir al Espíritu Santo que cambie el pan y el vino al cuerpo y a la sangre de Cristo. Y nos reunimos con miembros de la familia y seres queridos que nos habían apoyado durante nuestro discernimiento y formación en el Seminario. Mi padre falleció cinco años antes de que yo entrara en el seminario, pero mi mamá pudo estar allí, junto con mi hermano, dos hermanas y mi sobrina. Y, por supuesto, muchos amigos que habían sido parte de mi viaje espiritual, y continúan siendo personas importantes en mi vida.

Hoy celebramos el poder del Espíritu Santo, la tercera persona de la Santísima Trinidad. Hoy celebramos el defensor, el Paráclito, el Espíritu Santo que nos guía en nuestro camino de fe. Y, hoy, decimos "¡feliz cumpleaños a nuestra iglesia y a nuestra comunidad de fe!"

Que el Señor nos siga bendiciendo siempre y en todas las formas,

Padre Paul Spellman

SAFE GUARD THE CHILDREN

PROTEGIENDO A LOS NINOS

"If you see something, say something"

We see this warning in airports and schools, but experts say it's also a great way for parents to think about Internet safety for their children. One of the best ways to protect children using the Internet is to actually engage with them in what they're doing: Play the games they plan, check out their profile pages with them. Discuss online respect and rules for what can and cannot be shared. Regular conversation and monitoring helps keep children safe online. For more information, read the article by Catholic News Service, "Vigilance by parents and their children called key to safe internet use."

"Si ves algo, di algo"

Vemos esta advertencia en aeropuertos y escuelas, pero los expertos dicen que también es una excelente manera para que los padres de familia piensen en la seguridad de Internet para sus hijos. Una de las mejores formas de proteger a los niños que usan Internet es participar realmente en lo que están haciendo: jugar los juegos que planean, revisar junto con ellos sus páginas de perfil. Discuta sobre el respeto en línea y las reglas para lo que puede y no puede ser compartido. La conversación y el monitoreo regulares ayudan a mantener a los niños seguros en línea. Para obtener más información, consulte el artículo de Catholic News Service, "Vigilance by parents and their children called key to safe internet use (Vigilancia de los padres y sus hijos son clave para el uso seguro de Internet).
